The undersigned being the attorney of record in the above-identified application is empowered to act on behalf of your petitioner and represents that she has reviewed the assignment which is attached, and to the best of her knowledge and belief certifies that title to the application is in said petitioner.

Your petitioner hereby disclaims the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of U.S. Patent 6,794,348; 6,815,409 and 6,794,347. Petitioner agrees that any patent so granted on said above-identified application Serial No. 10/772,824 shall be enforceable only for and during such period as the legal title to U.S. Patent 6,794,348; 6,815,409 and 6,794,347. This disclaimer and agreement is to run with any patent granted on said above-identified application Serial No. 10/772,824 and is to be binding upon the grantee, its successor or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application Serial No. 10/772,824 prior to the expiration date of the full statutory term of U.S. Patent 6,794,348; 6,815,409 and 6,794,347 in the event that such U.S. Patent later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims cancelled by a re-examination certificate, or is otherwise terminated prior to the expiration of its statutory term, except for the separation of legal title stated above.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
